What is Develop?

Using Develop and Finding Help

What is Develop?

Develop offers training and quality improvement tools to support early learning and school age care. Develop is the one-stop-shop where you and your organization can get the tools you want and need to build upon your success. Together, we're developing a brighter future for all of Minnesota's children.

How do I join Develop?

- Go to www.developtoolmn.org and click on the **register** icon that looks like a pencil
- Click on the words **Register as an Individual**
- Fill in the necessary information and click **Continue**
- Complete the remaining account set-up information and click on the box to affirm the Privacy Policy
- Success! Your Develop ID number and password will be sent to the email address you provided.

You are now ready to select and use the tools you need to meet your professional goals!

If you need additional help accessing and using Develop, or have questions about: finding & registering for training, accessing your Learning Record, or others, please contact your area Develop Ambassador
