<u>Administrative Application Fee</u>	<u>\$100.00</u>

**Note:**

Underlined items are changes to the proposed fee schedule. It is recommended that Commercial underground utility crossing permits go to a one-time fee of \$750. This fee structure represents what is going on in the market place in Hennepin County. The fee replaces a \$1000.00 Annual fee and eliminates ongoing maintenance to obtain an annual fee.

The Administrative Application Fee is new and represents cost associated with drafting up a permit.
