Through a lease agreement, Lancer Catering is managing and operating the facility for events. The Lake Waconia Event Center is a great venue for a variety of gatherings including wedding receptions, meetings, anniversary, holiday parties, trade shows, graduations, family reunions, entertainment and corporate events.

Lancer Catering currently provides catering services at several large venues such as the Science Museum of Minnesota, Minnesota Zoo, Como Zoo, Edinburgh USA and others.

Lake Waconia Event Center, Waconia's historical ballroom, can accommodate groups of 50 to 800 people. The Event Center has ample space, a large bar, wooden dance floor and stage for entertainment.

Lake Waconia Regional Park

Explore Lake Waconia Regional Park

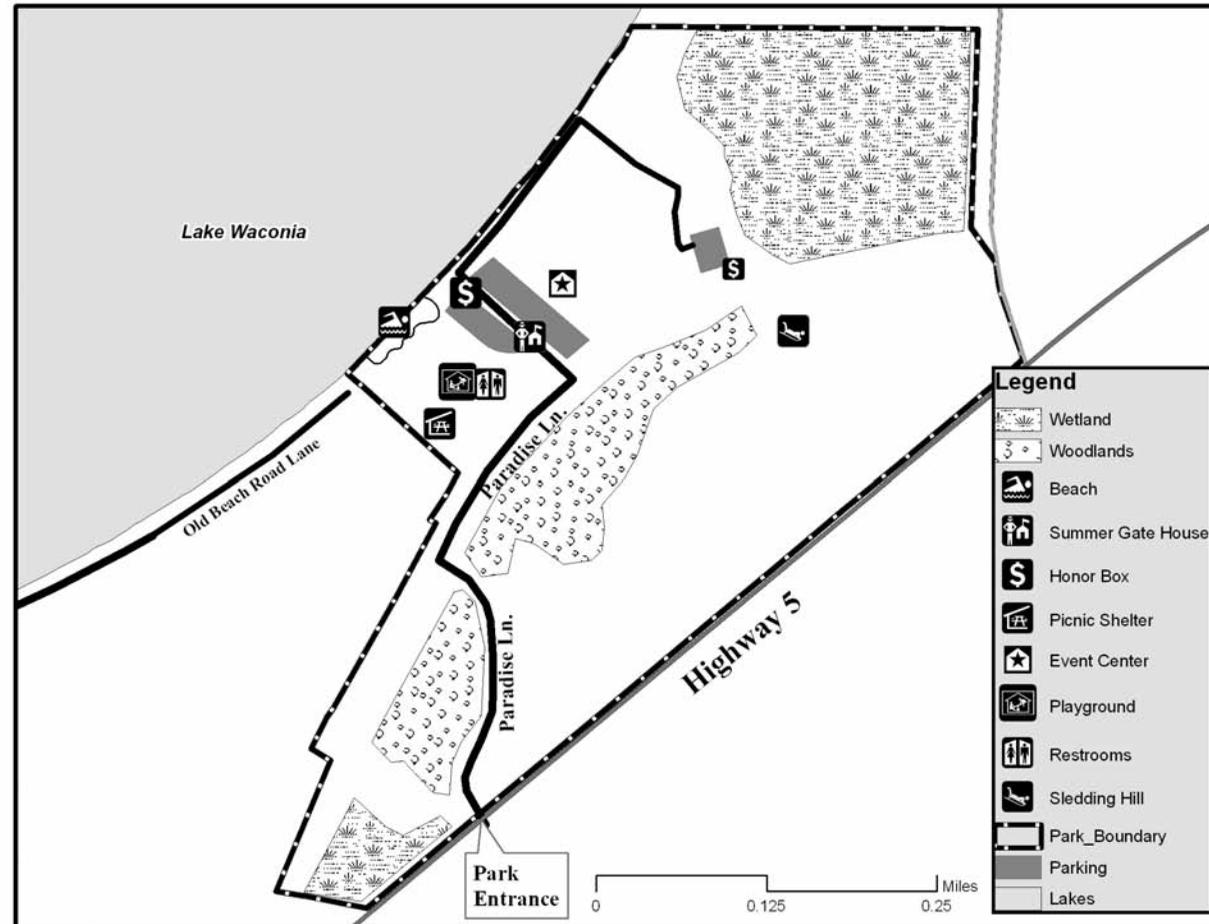

Lake Waconia Regional Park is in a land acquisition stage for this future 130-acre park. Situated on the southern shore of Lake Waconia, with views to the lake and Coney Island, existing facilities include a reservable group picnic shelter, play equipment, restrooms, small swimming beach, picnic tables, volleyball court and grills.

Beach Area

The beach at Lake Waconia Regional Park was redeveloped and expanded in 2004. The beach area is a great place to lay out in the sun or for the family to come and take a dip in the second largest lake in the seven county metro area. The park currently has no boat access but the DNR has a boat launch on the northeast corner of the lake. New shade umbrellas were added to the beach in 2008.

Lifeguard service is provided from the middle of June through the middle of August, seven days a week (weather permitting).

Park Hours

The park is open daily from 8 a.m. to 9 p.m. or one hour after sunset, whichever is later.

Park Improvements

An adopted park master plan guides the development of Lake Waconia Regional Park. Recent improvements to the park include the realignment of TH 5 to the south boundary of the park and construction of the park entrance road, Paradise Lane. The beach area and a portion of the picnic area were redeveloped in 2004. Future improvements to the park are to be made as funding becomes available. The master plan for the park can be viewed online at www.co.carver.mn.us/parks.

Sledding Hill

In January 2007 Carver County Parks opened up a new sledding hill at Lake Waconia Regional Park. The sledding hill is planned to operate as it has the past couple of winters. Sledding Hill users need to bring their own sleds and plan to walk up the hill. Hours of operation are 10 a.m. - Sunset daily (conditions permitting).

Rules for the sledding hill are:

- Use at your own risk. Sledding hill is not supervised.
- Children are to be supervised by an adult.
- Standing on or overloading sleds is prohibited.
