Job Opportunities

It is important that your application show all related education and experience. Hiring managers use this information to determine who will proceed to the interview process. Hiring managers will use the application to verify answers to the supplemental questions. Applications may be rejected when hiring managers are not able to verify answers to the supplemental questions or when applications are incomplete.

All application materials (including Veteran's Preference documentation and Supplemental material, if any) must be received by the Employee Relations Department by 4:30 p.m. on the closing date of the posting. Late application materials will not be considered.

Carver County is not responsible for failure of other agencies, Internet service providers or postal services to forward applications by the closing date.

All online applications submitted are stored on a secure site. Only authorized employees and hiring authorities have access to the information.

If we discover that an applicant has submitted two or more applications for the same position we will use the most current application that was submitted and received.

Search Criteria

All Categories are automatically selected. To change the results, deselect and reselect the categories by using the Clear All/Select All buttons or by clicking on the check boxes. To reset the search criteria, click 'Clear Search' at the bottom of this box.
