

READ. WRITE. DRAW.

KIDS Ages Birth-11

Book Title _____

Author _____

WRITE about it! Things you could write about: What was the book about? Did you like it? What would you change about the book? Did you read a story? Was there a character or scene you like best or least? Would you want to visit the place/time period where the book took place? Was it a nonfiction book? What did you learn that you didn't know before? **Rather draw a picture? Turn page over.**

Write your review here... or **GO GREEN** and enter your review online at www.carverlib.org using  **Beanstack**

Book Review _____

Print this form completely and return it to the library OR submit a review online at www.carverlib.org using  **Beanstack**

read. write. draw.

Hey, parents!

Welcome to Carver County Library's summer reading program, where we hope to encourage your kids to read for fun over the summer months. Research shows that summer reading programs help children return to school in more prepared to pick up where they left off. Let's explore all of the reading choices available at your library. Children can choose what to review and tell the story in their own words or with a picture. Help your kids be proud of their choices and help us share their reading successes this summer!

Hey, kids!

Enter our **read. write. draw.** contest for a chance to win cool stuff! All readers and pre-readers of all ages up to 11. Complete one entry for each book you read and make sure you either fill out the entry form on the other side and or complete a review online at carverlib.org. Winners will be notified via email. If no email address is provided, you will receive a phone call to let you know you've won!
