

Community Caregiver Support Group

Are you caring for a loved one?

Do you feel alone?

At times do you feel overwhelmed?

The Encore Adult Day Services offers a monthly support group to community caregivers to help address the issues faced by those whose loved ones have health concerns including memory loss. The group provides a great opportunity to meet and talk with other caregivers and Encore staff in order to gain insight and support as well as hear about local resources.

Date:

March 9, 2020
