

# We want to help you give your kids a healthy smile!

Dental Checkups should begin when the first tooth appears, or by age 1 year (whichever comes first), and every 6 months after that.

**Prairie Dental** 952-903-5000  
6608 Flying Cloud Drive, Ste 200, Eden Prairie  
*12 and under with special needs or medically complex*

## BRUSHING

Wipe baby's gums, cheeks and tongue with a clean damp washcloth or soft toothbrush and warm water after each feeding.

Once the first teeth appear, begin using a soft toothbrush with a smear of fluoride-free toothpaste twice a day.

Start brushing with a pea-sized dot of fluoride toothpaste for children over 2. Brush twice daily for 2 minutes.

Use a brush with soft bristles, replace every 3-4 months or sooner if bristles are frayed.

## EAT A WELL-BALANCED DIET

Select foods from all 5 food groups - dairy, meat, fruits, vegetables and whole grains.

Choose healthy foods such as fruits, vegetables, cheese and yogurt over snacks with high amounts of sugar.

Do not put babies to bed with a bottle or sippy cup containing anything but water. Milk, juices and even breast milk contain natural sugar which cause decay when they sit on the teeth all night.

Drink water instead of juice, pop or other sugary beverages.

## Things to Know Before You Begin

- Some dentists may not accept patients on Medical Assistance (MA) or MinnesotaCare.
- Dentists that do see patients with MA or MinnesotaCare may accept only a limited number of new patients.
- Dentists may only accept MA/MinnesotaCare patients within a specified health plan.
- Dentists that do not accept new MA/MinnesotaCare patients at this time may have openings in the future.
- We can arrange transportation, an interpreter, and scheduling assistance as needed.

### Health Plan Dental Lines

<b>Straight MA (MA)</b>	<b>651-431-2670</b>
<b>Blue Plus (BP)</b>	<b>651-406-5907</b>
<b>Health Partners (HP)</b>	<b>952-967-7998</b>
<b>UCare Minnesota (U)</b>	<b>651-768-1415</b>

**Developing good oral health habits at an early age, and visiting a dentist regularly, gives children a good start on a lifetime of healthy teeth and gums.**
