

Health and Safety Required Courses- How to Find Them

This training is offered by Child Care Aware or by contacting a certified independent contractor through Develop.

- First step- **KNOW the courses you need-**
 - Pre-service: *This course is designed for NEW providers*
 - Face to Face Course #: 155065: Supervising for Safety for Family Child Care
 - ETL* Course #: 155074: Supervising for Safety for Family Child Care
www.eagertolearn.org
 - In-Service: *This course is designed for providers that are currently in the field*
 - Face to Face Course #: 157206: Health and Safety I – Family Child Care (In-service)
 - ATL** course #:161112: Health and Safety I – Family Child Care (In-service)
www.eagertolearn.org
 - Face to Face Course #: 157923: Health and Safety II – Family Child Care (In-service)
 - ATL** course # 158010: Health and Safety II – Family Child Care (In-service)
www.eagertolearn.org
- Second Step- **FIND the courses**
 - Use the Develop Search Tool <https://www.developoolmn.org/app/default.aspx>
 - To expedite the search use the features such as keywords of the title and County
 - If there is not a course in your county
 1. Ask yourself- Do I have access to the internet? If so, then Anytime Learning or Eager-to-Learn may be a grand option for you
 2. Are there a group of you that need training? Use the trainer search feature on Develop <https://www.developoolmn.org/app/default.aspx> and contact a certified Health and Safety trainer to come right to you!
 - Need help locating trainers? Contact Matte@childcareawaremn.org for Trainer support
 3. Still need help? Contact your local Child Care Aware Professional Development Coordinator- <http://childcareawaremn.org/local-resources>

*ETL means Eager to Learn (online plus facilitator led discussion)

**ATL means Anytime Learning (on-demand, online)
