Carver County Sheriff's Office to Host Sixth Citizens Academy

Carver County Sheriff Jason Kamerud is pleased to announce that the Carver County Sheriff's Office will be hosting a County-Wide Citizens Academy.

The Carver County Sheriff's Office is accepting applications for its sixth Citizens Academy. The Citizens Academy is designed to provide an opportunity for the Sheriff's Office to educate its citizens about the law enforcement agency that serves their community and allow its citizens to experience a unique perspective of law enforcement.

The goals of the program are to educate citizens about law enforcement policies, practices and difficulties; continue to expand on the positive partnership that the Carver County Sheriff's Office has with its citizens, and promote comradery among the participants and the Carver County Sheriff's Office.

The program will meet every Thursday from 6:00 PM to 9:00 PM, starting on Thursday, February 28, 2019 and concluding with a graduation ceremony on Thursday, May 2, 2019. The Academy will be held in various locations and will cover many topics such as tours of the Sheriff's Office, ride-a-long opportunities, dispatch and jail shadowing, K-9 and tactical demonstrations, use of force training, crime scene processing, traffic control, law enforcement vehicles, investigations, scenario-based training, use of taser and other tools for law enforcement use, and much more.

The classroom participation is limited to 15 participants.
