If so, join the Carver County Sheriff's Office Mounted Posse. The Posse consists of volunteers with access to horses who provide their service to the Carver County community through their equestrian skills. In doing so, they expand their skills to a new level and experience unique activities with their horses in the community.

Some examples of the service the Posse provides include; security and crowd control at the Carver County Rodeo and Winstock, patrolling the cities and parks, National Night Out, various parades and community events. The Posse is utilized for search and rescue operations and represents the Sheriff's Office by visiting schools and educating children about safety and law enforcement.

The Posse trains throughout the year with their horses, both at Posse sponsored training and on their own. The Posse receives exceptional training to ensure that the horses and riders are able to meet the required tasks and pass annual sensory testing.
