YARD HAZARD PLAN

Provider's Name: _____ Date: _____

1. What is the potential hazard?

2. Where is your defined play area for the child care children?

3. Is the hazard visible from your yard? YES NO

4. Are there any natural barriers or obstructions between your yard and the potential hazard?

Rule part 9502.0315, Subp. 29a, defines "**Supervision**" - *as a caregiver being within sight or hearing of an infant, toddler, or preschooler at all times so that the caregiver is capable of intervening to protect the health and safety of the child. For the school-age child, it means a caregiver being available for assistance and care so that the child's health and safety is protected.*

Describe your outdoor supervision plan for each age group (*be specific*)

- A. Infants:

- B. Toddlers:

- C. Preschoolers:

- D. School-agers:

What will you do when you are outside with the children and a child needs to go inside to potty, or someone needs a diaper change or the phone rings or someone comes to the front door, etc.?

If the variance is approved, I, the undersigned, agree to the specific equivalent alternative measures as stated above to promote the health and safety of the children in my care.

Applicant

Date

Outdoor Play Space

Outline your residence and show the dimensions of the outdoor play space. Indicate the distance of this play space from your residence if not immediately adjacent. Indicate creeks, drainage ditches, rivers, lakes, ponds, swamps, railroad tracks, streets, or highways adjacent to or near your residence.
