

THINK GLOBALLY, ACT LOCALLY, RECYCLE!

Schools, Businesses, & Organizations

Schools, businesses, and organizations play an important role in helping keep our air, water, and land clean. A robust recycling program says you mean business when it comes to conserving our natural resources and demonstrating your commitment to sustainability and your community. And, recycling more may help your bottom line!

We can help

Whether you need help becoming compliant with State recycling requirements, want to improve your current recycling efforts, or begin a new program, Carver County has resources to help.

1 **FREE on-site technical assistance**

A technical expert will visit your site to help you find ways to reduce your waste, design a new or improved recycling program or get you started with organics recycling.

2 **Labels for your recycling and trash containers**

Labels are an essential part of an effective recycling program. We have access to a variety of sizes and types to fit your needs.

3 **Funding to improve recycling**

We provide **GRANT FUNDING** for equipment and supplies to help you recycle more.
