Deputy Dominc Belmares received the "Associate Post Advisor of the Year Award". He was nominated for his exceptional service and commitment to the Post. The Post also received the "Bronze Northern Star Exploring Journey to Excellence Award". The Post received this award for meeting criteria established by Northern Star Exploring Program. Congratulations to Deputy Belmares and the Carver County Exploring Post on your achievements.

The Carver County Explorer Post is a law enforcement related exploring post. To join Explorers, a person must be between the ages of 15-20 years old. You do not need to be planning a career in law enforcement to join. Exploring gives members a chance to experience various facets of law enforcement, such as traffic control, first aid, burglary response, domestic intervention, firearms use and many other topics. Exploring develops camaraderie, teamwork, responsibility, good decision-making, and a sense of achievement. Explorers frequently work events such as the Carver County Fair, National Night Out/Night to Unite, officer training as role players, alcohol and tobacco compliance checks, ride-a-longs with deputies, job shadowing dispatch and detention, along with many other unique and exciting aspects of public safety.
