### FOR IMMEDIATE RELEASE

#### Public Invited to Open House for the Arboretum Area Transportation Plan

The public is invited to attend an open house for the Arboretum Area Transportation Plan. The event provides an opportunity to learn about the project, meet the project team, and provide input. The open house will be held on Tuesday, July 16, from 5:00 – 7:00 p.m. in the MacMillan Auditorium at the Minnesota Landscape Arboretum, 3675 Arboretum Drive, Chaska. Please plan to attend at any time during the event. There will not be a formal presentation. The Arboretum entry fee will be waived for those attending the open house.

The project, led by Carver County, is a study of current and future transportation needs on Highway 5, Highway 41, Rolling Acres Road, Bavaria Road, and 82nd Street West. Its purpose is to develop an area-wide transportation vision to address roadway safety, traffic management, pedestrian and bicycle connections, transit needs, environmental considerations, and phasing plans.

To learn more, sign up for project updates, and find opportunities to provide input, visit the project website at [co.carver.mn.us/ArboretumAreaTransportationPlan](http://co.carver.mn.us/ArboretumAreaTransportationPlan).

Project contact is Angie Stenson, Senior Transportation Planner for Carver County. She may be reached at 952-466-5273 or [astenson@co.carver.mn.us](mailto:astenson@co.carver.mn.us).
