OF ACRES IN PARCEL _____ TYPE OF WORK _____

DESCRIPTION OF WORK (attach additional sheets as needed) _____

PROJECT AREA AND/OR STRUCTURE SIZE _____

TYPE OF STRUCTURE AND/OR MATERIALS _____

AMOUNT OF TIME NEEDED TO COMPLETE PROJECT _____

Please attach the following to this application:

- 1) A plan illustrating the location of the project or event, and location of any structures, equipment, parking areas, and/or areas for obtaining or depositing fill, proposed erosion/sediment control, final grading, turf establishment and drainage design. The application would typically include a letter and/or attachments giving an in depth description of the proposed operation. Said description should contain documentation pertaining to the landowner's consent, the number of employees reporting to the site, plans for traffic control, parking and waste management. The application should address parts of the operation that may have an adverse impact on the environment, pose a risk to the public or that may impact neighboring property owners and methods for mitigation of any adverse factors.
- 2) Any additional information for the proposed use, as requested by the Land Management Official.

I hereby certify that the information contained in this application is a true, accurate and complete representation of the facts and conditions concerning the subject property to the best of my knowledge. I hereby authorize the County Land Management Director or agent to enter upon this property to perform such inspections as necessary for the approval of this application.
