

Carver County Zoning Map

Ordinance 70-2010
January 25, 2011

- 
"A" Agriculture District
 The County has and may in the future enter into or be affected by a variety of official controls, orderly annexation agreements, joint powers agreements, or other similar agreements that affect the actual extent of this district. Such controls or agreements shall supercede the boundaries shown on this map.
- 
Transition Area Overlay District
 The extent of the District as shown on this map is illustrative of Transition Areas as shown on the map in the Comprehensive Plan on the date of the adoption of this ordinance. The actual extent of the District shall be governed by the Transition Policy Area as shown in the Comprehensive Plan. A change in the Plan map shall constitute a change in the District boundaries.
- 
Rural Service Overlay District
- 
Residential Cluster District
 These lands were rezoned to this District under a previous ordinance. No new zones of this type are permitted. The actual boundaries of the zone are defined in Appendix A of the Zoning Ordinance.
- 
Floodplain Overlay District
 The map illustrates the approximate extent of the Floodplain Overlay District. Actual determination of the Floodplain Zone boundaries is made according to the rules for interpretation specified by the County Code.
- 
Shoreland Overlay District
 The map illustrates the general extent of the Shoreland Overlay District and the classification of the lakes. Actual determination of the Shoreland Zone is made by measurement on air photos or on the ground on a site by site basis.
