OneClick digital Android app now available!

Create an account

First, you must create an account on the library's OneClick digital website in order to sign in to the app.

1. Visit www.carverlib.org in your browser and choose 'eAudiobooks' from the navigation panel, choosing either the 'inside' or 'outside the library' link. Sign in with your library barcode and Pin/Password if prompted.
2. Choose 'Create New Account' to create a OneClickDigital account. Please read the information on the page and enter your information.

My Checked Out Items

The following is a list of the items you currently have checked out and are listed in order of check-out date. If you would like to renew a title, simply click on the "Renew" button next to the title.

Swerve: How the World Became Modern, The
Greenblatt, Stephen
Expiration Date: DEC 30, 2014

Renowned historian Stephen Greenblatt's works shoot to the top of the New York Times best-seller list. With *The Swerve*, Greenblatt transports listeners to the dawn of the Renaissance and chronicles the life of an intrepid book lover who rescued the Roman philosophical text *On the Nature of Things* from certain oblivion. "More wonderfully illuminating Renaissance history from a master scholar and historian."—Kirkus Reviews, starred review
